Director's Message

Mission

To create an environment in this society where the dream of such students can be turned into reality who due to financial stringency and poverty, are unable to achieve success in prestigious competitive examinations like JEE (IIT & NIT) and PMT.

Vision

Putting the honest effort with dedication of serving the education & by becoming a value driven learning institution with excellence as its standard, where tradition and technology is used with the best of the available research & resources to provide the continuing learning and growth.

In the socio-educational system it is the most crucial phase in your life to choose a prestigious career. Every science student wishes to lead a successful career as an Engineer or a Doctor. Before making preparations for the Entrance Examination, it is not only important to know what should be studied but it is also of paramount importance to know what should the strategy for preparation. It has been the endeavor of this Institute to keep pace with the latest techniques and adopt new thoughts in guiding the students.

Our emphasis is on providing quality education for those who want to prepare themselves for exams like for JEE & PMT. Students should remember 3 simple steps for success. Follow your teachers, attend classes regularly & do self study.

As we know "Practice makes a man perfect." Quality of this institution is beckoned by continuous hard working of well qualified and experienced faculties. Sometime it comes in students mind that some particular subject or topic is too hard to understand. But it's never true. Each and every subject or topic is easy if there is a good teaching technique.

We strive to provide knowledge, skills, abilities, attitudes and beliefs that are essential for a productive, successful and happy life. We recognize that these goals are best achieved when the institution provides an environment in which faculties, parents, staffs and others develop and practice core values that benefit the academic, emotional and social needs of all students. ELITE Institute's efforts are aimed at higher benchmarks and further refinement.

Flying on the wings of vision and ignited by the spark of passion, our mission is to set ourselves not just to enrich the legacy we have created, but to excel one milestone after another with clock-work precision and habituated ease. Driven by the relentless efforts of the years that have gone by, we modulate leadership that when integrated with latest technology and global perspective steers close to the best practices in JEE (IIT & NIT) and PMT preparation. As we visualize the future, we feel the urgency to make rapid strides in harnessing the latest teaching techniques and addressing ourselves in the context of changing entrance exams scenario. ELITE Institute is working towards being centre of excellence for JEE (IIT & NIT) and PMT entrance exam preparation.

With the new changes pattern we are set to provide our students with real practical skills that meet the necessary needs of exam pattern & preparation while providing them with the fundamental knowledge base for a board exam preparations.

Wishing all of you a happy & prosperous career ahead.

Amardeep Jha Gautam
Director

■ Faculty

Elite Institute has a team of experienced & specialized faculties with dedicated educationists whose committed guidance and counseling sessions not only help the students to get higher percentage in the examination but also boost up the moral of the students. The faculties of the institution put in a lot of efforts to provide individual attention and doubt-clearing sessions. Senior faculty members conduct counseling sessions for the students time to time.

■ Teaching Methodology

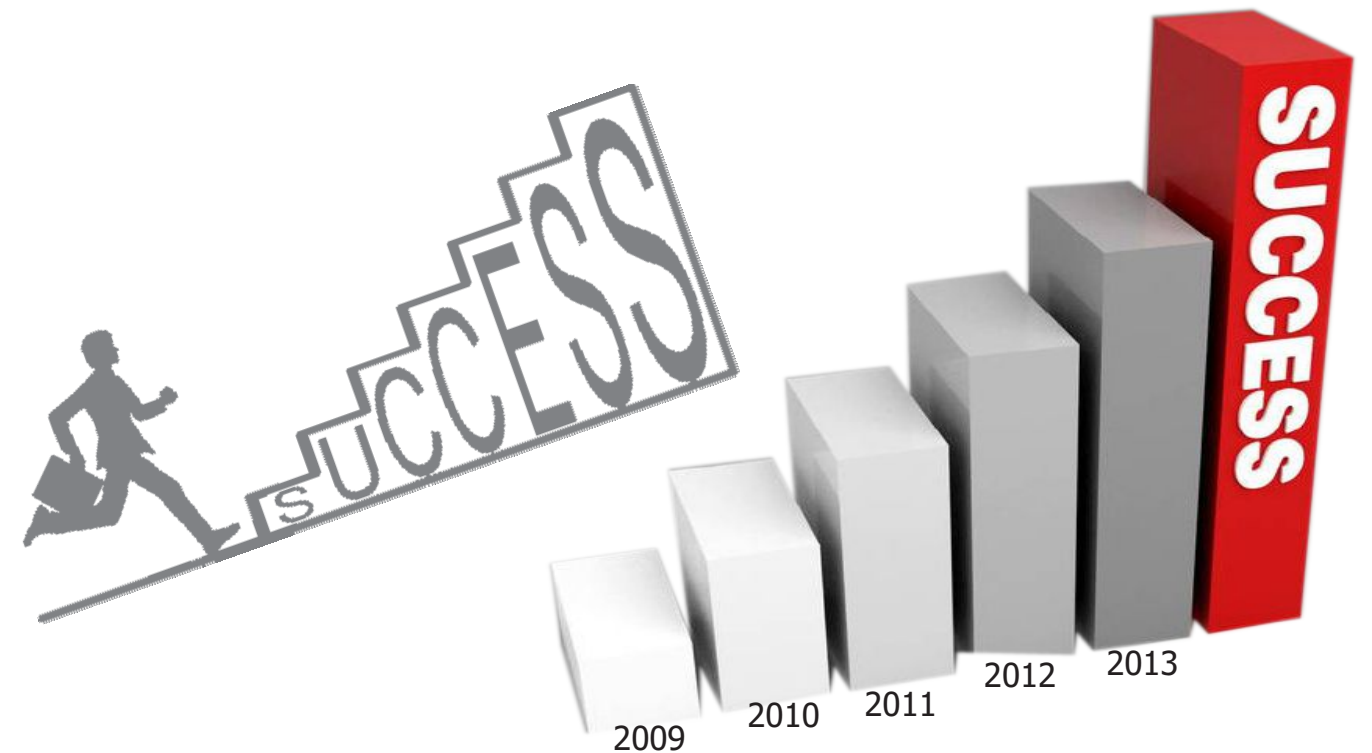

Friendly & stressless environment is provided to all students during classes. We keep motivating students in all form of life. Regular tests are taken on each and every topic that is covered. This keeps the students acclimatized to the exam conditions and gives them a feel of the topic and to evaluate themselves, instructions are imparted in both Hindi & English mediums.

Over the years we have found it to be beneficial to students of both mediums. A recitation of the concept in the vernacular gives a better grasp of the concept to an English medium students while a recitation in English gives the Hindi medium student a better grasp of scientific terminology.

Every student gets due attention. The focus on each and every student helps him/her to be attentive in the class and to realize his/her potential. We provide sufficient time after the classes to remove individual difficulties of students if required. Personal care, homely atmosphere, health environment are the core qualities of ELITE Institute.
